

Members are requested to NOTE and CONSIDER the recommendation.

Background

Members AGREED at the 7 April meeting, to move to six weekly meetings. Concerns were raised, should the Clerk not be able to attain an extension for any said planning application.

Proposal

- That delegation is given to both Planning Groups
- The Planning Group 'on duty' reviews the applications and forms a collective opinion.
- This is then circulated to all Councillors for agreement
- If any two Councillors do not agree with the Group's decision, it goes to Council

Delegation would not apply to any Planning Applications:

- deemed to need to be 'Called in' by WC Councillor
- within the Conservation Area
- multiple dwellings
- any received raised objections by the Public
- that are controversial

Delegation would apply to any Planning Applications such as:

- a. Tree works
- b. Change of use
- c. Normal extensions
- d. Only applications where 'No Comment' on 'No Objection' applies
