Issue Details

Location of Issue:	Road between Buffers Junction/Swinley Drive to Mini roundabout next to house formerly known as Caso Paulo restaurant. (Purton Road).
Community Area:	Wootton Bassett & Cricklade
Parish or Town Council:	Lydiard Millicent Parish Council
Nature of Issue: With the completion of the Ridgeway Farm development there has been an increase in traffic which has led to a number of vehicles speeding along this short stretch of road heading through Common Platt. There are 2 pedestrian crossings along this stretch of road, one at Ash Close which has metal barriers on both sides and one at The Willows which has no barriers, the one at The Willows is on a bend and obstructed by a hedge, this crossing is very dangerous as vehicles speed along unaware of people crossing and there has been a lot of near misses	
How long has it been an issue?	Since the completion of the Ridgeway Farm development approx 2 years
What would you like done to resolve this issue? Barriers should be erected at the crossing at The Willows on both sides of the road, plus a way of slowing down vehicles with maybe a chicane or speed bumps, or a reduction in the speed limit to 20MPH.	
Have you been in touch with your local Wiltshire Councillor? (Yes/No)	Yes
