

To NOTE the report and CONSIDER the quotes received

Background

The Clerk was instructed to obtain quotes for the installation of automatic lights in the public areas of JCH. This comes as a result of lights being left on, sometimes for a number of days, if the user was in over a weekend.

Three contractors were contacted and two have provided quotes for sensors in:

- Main Corridor and 2 x Small Hallways
- 3 x WC
- Kitchen and Main Hall
- Away x 2 and Home x 2

This includes all labour, cabling and fixings – the existing switches would be replaced with key switches for sensor override

If the Council wishes the 2 x referee rooms included – there is additional cost (see below)

Quote A

Without Referee Rooms:	£1,655.18
With Referee Rooms:	£1,691.58

Quote B

Without Referee Rooms:	£4,294.00
With Referee Rooms:	£4,824.00

Clerks Recommendation

To accept Quote A, as best value.
