Planning Rota

Now the Council has a full complement of Members, I would like to propose that the Council has a planning rota.

This would lessen the amount of work for one person, mitigate risk of absence or unavailability problems and also provide a more balanced assessment of applications.

The rota would be made up of 6 Members, with 3 Members on each rotation, with the flexibility to cover in the absence of others.

The purpose of the planning rota would be for 3 Councillors to meet the week before a Council meeting, to exchange views on the planning applications received, and provide a written report to for distribution (to Councillors only) with the agenda, for Councillors to consider at the Parish meeting.

At the Parish Meeting a nominated Member from the 'team' would read out their findings.

Recommendation

Members to:

- NOTE this report
- CONSIDER the recommendation
- If supported, Members to VOLUNTEER to join the Planning Rota
