

Members are requested to NOTE this report and CONSIDER taking part in the Great British Spring Clean 2022.

The official period is from 25 March to 10 April 2022, but litter picks can take place at any time, this year.

The Area Board has agreed to supply 10 litter picking kits to the Council, these have not yet been received.

Recommendations

Members to CONSIDER whether they wish to undertake a litter pick, if so,

- Councillor volunteer to organise the event
- Councillors would need to volunteer to lead the groups
- Black bags would need to be purchased
- Clerk to provide Risk Assessment for the event
- Clerk to arrange with WC to remove rubbish collected

Wiltshire Council Advice

If groups find large or dangerous items such as whitegoods, fence panels, tyres, asbestos, chemicals or other hazardous waste they should not be moved. These items should be reported via the MyWiltshire app and they will be dealt with as appropriate.
