

Members are requested to:

- NOTE this report
- CONSIDER the options for a Christmas Tree

Background

The school was approached to see if they would like a permanent Christmas Tree with roots. Feedback received from the Headmaster is that for this year they would like a one without roots, as there has not been the time to discuss the option of a permanent tree.

In 2021, the Parish Council paid £200 for a tree and for decorations.

Costs to be met from cost code 'Christmas Decorations' 4107/401- balance = £400

Recommendation from the Chairman

To allocate £100 for a Christmas Tree

Parish Clerk
October 2022
