

Members are requested to NOTE this report and CONSIDER the recommendation to purchase three noticeboards and relocate the board currently at the Cemetery.

Background

The parish of Lydiard Millicent contained nine different hamlets.

In order for the Parish Council to reach more of its residents, it has been put forward that the Council displays the agendas etc in other areas than just in the one location.

The locations are Greenhill, Greatfield and Common Platt.

The new noticeboard located at the Cemetery is too small to display the Cemetery Regulations and other relevant information, it is therefore proposed to relocate this one to one of the site above.

For consistency, it is proposed to use the same make and style as purchased in October 2020.

Two noticeboards hold 4 x A4 with header, post and fixing kit
