Handyman Report

- work has started on the treatment of the play area fence (it is nearly half complete)
- a careful watch has been kept on the implementation of the grounds Contract in general requiring some intervention with positive results
- attendance the meeting of the footpaths volunteer group to stay in touch with its formation
- One positive appears to be that there have been no gas canisters / balloons at Holborn now for over a month so maybe the message has gotten through (or the lighter evenings make the activities more obvious).
