

Members are requested to CONSIDER and APPROVE the proposed expenditure

Background

Councillors have agreed to have a community event on 6th November to introduce themselves to Lydiard Millicent parishioners.

Refreshments (tea, coffee and cakes) will be offered. Parishioners will be invited to comment on Council ideas for various things including the area behind the Mews (currently a play area), the Community Field (next to the Parish Hall) and improvements to Jubilee Club House (to encourage more use of the facility). There will be representations from the RWB Men's Shed project and the RWB Community Garden.

In order to promote the event, we will need to produce A5 flyers to put through all doors within the Parish. We will also need to purchase refreshments.

Request is to allocate £500 to cover the cost of designing and printing leaflets and purchase of refreshments.

Funds to be met from General Reserves

Councillor Catherine Hacker
