

Members are requested to:

- NOTE this report
- RECEIVE a verbal updated from Councillor Allsop
- CONSIDER the way forward.

Background

Last year it was suggested that Councillors take it in turns to spend a couple of hours at JCH on a Saturday once a month so that any parishioner could drop in for a chat.

Clerks Comments

This would be a worthwhile activity to enable the Council to engage with residents on a regular basis.

If Councillors are minded to hold a monthly surgery, a Councillor would only have to participate once a year in the process. If Councillors attended in pairs in would only be a maximum of twice a year.

The dates could be agreed in advance, and appear in the Lydiard Magazine and be posted on the noticeboards, and form part of the Chairman's announcements at Parish meeting
