Address: 18 The Mews, Lydiard Millicent, SN5 3NQ

Applicant: Mr N Moore

Respond By: 3 September 2021

Proposal: single storey rear extension and front porch

Email from Officer dated 24 August 2021 - I had requested an extension to the target date from the applicant but there has been no response today. If they had confirmed a longer target date, I could have passed this on to the Parish Council. However, without that agreement, the closing date for comments stands at 23 August.

Email dated 9 August - unfortunately on this occasion, I am not able to offer an extension of time to the PC. I have asked the applicant for an extension overall as the determination target date is very close to the consultation end date. If I get a positive response on this, I will let you know
