

Members are requested to NOTE this report and CONSIDER the recommendations

Background

At Minute Reference 183.21 – Dogs on Playing Fields

Members NOTED the report and following discussions, RESOLVED not to supply free dog poo bags in the future. Following discussions, Members AGREED to revisit the current signage (relating to dogs) and to investigate further how to manage dogs on the playing area.

Update

The Parish Handyman is picking up very little dog waste, but the used bags are being left around the area of the Club House. The bin at the Club House cannot have dog waste put in it. The suggestion is to place a sign similar to the one at the entrance guiding them to place in the bin at the entrance to the Recreation field.

Current Sign at Entrance

Recommendation – as per attached designs

Members to CONSIDER replacing the Entrance sign and placing a similar sign placed on the JCH building. The new signs incorporate:

- Contact Details for the Parish Council
- Ask for dogs to be kept on the perimeter of the field (to reduce risk of faeces on the playing areas)
- Advice of where the nearest bin is located – Please note the 's' after bins is to be removed
- Request to amend new draft sign to read 'dogs should be kept on leads at all times'

The cost to produce the two signs is £132.00 (ex VAT), met from General Reserves
