

Members are asked to NOTE the report received from PCSO Andy Singfield.

Hello all,

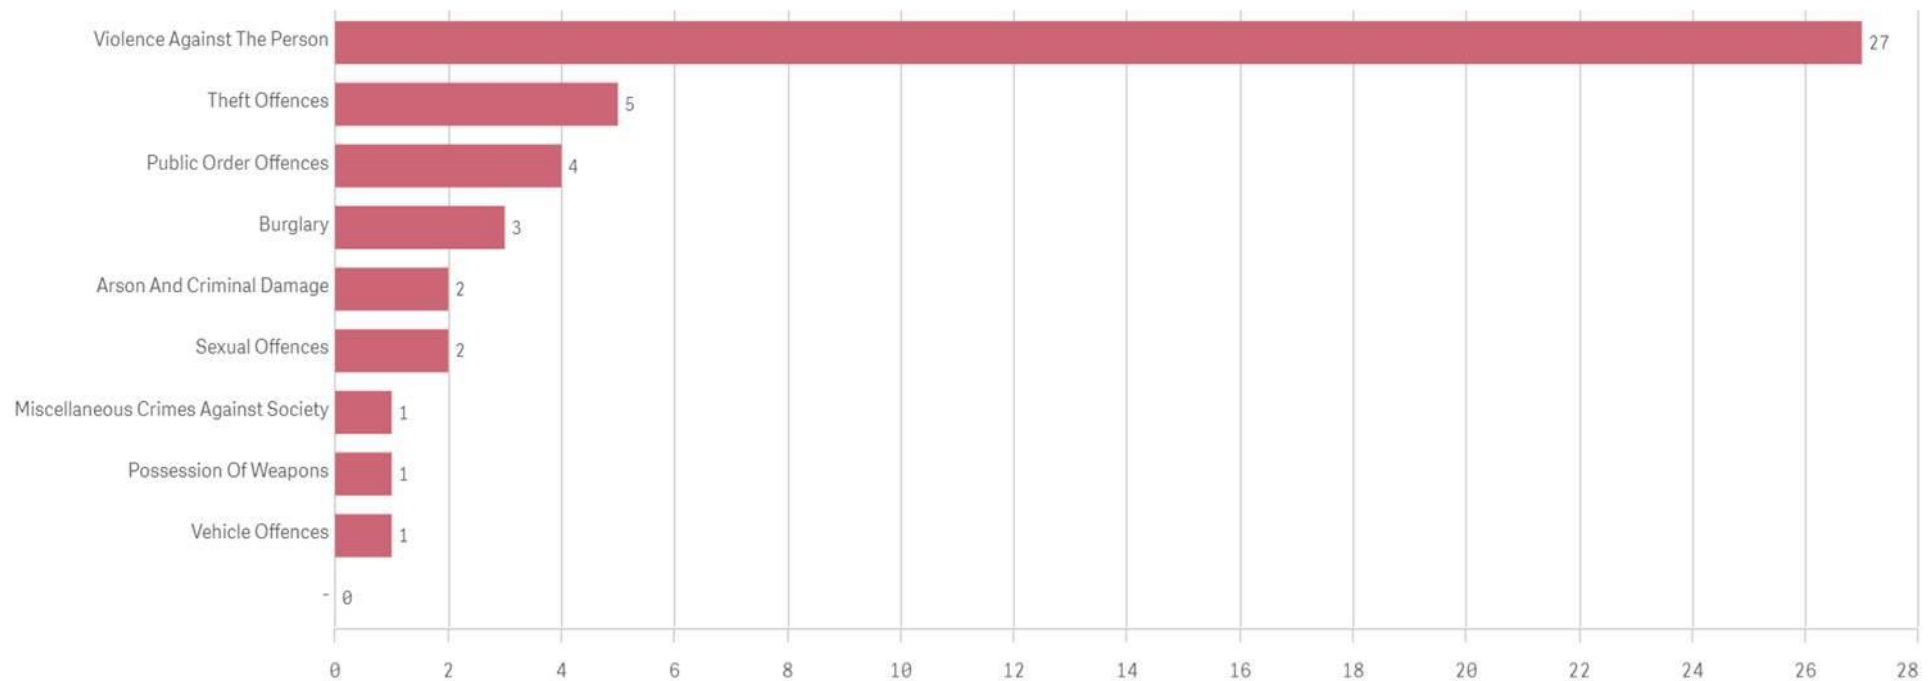

Sorry this update is a little later than usual but this is my first shift since before Christmas, Looking at last month's quarterly figures we are seeing another small decrease in most offences including the ones that increased last month which were theft and crimes involving violence. We as a team are working on a number of other initiatives with our intelligence department and modern slavery human trafficking team.

As always please feel free to E-mail me if you have any questions or need any clarification with the graphs and I'll get back to you as soon as I practically can.
