Request from Area Board

The RWB&C Area Board is planning to restart a Health and Wellbeing/Older and Vulnerable People and their Carer's group, to help meet the needs of local people in the community area.

We would very much appreciate your involvement and support, as the people who know your parishes best. Please can you confirm if you have an existing Health and Wellbeing/Older and Vulnerable People and their Carer's lead for the parish? This person doesn't need to be a councillor, it could be an officer or a member of the community with a special interest, who might like to be part of the group.

If you could get back to me by the end of next week if possible (14th January), I'll look to arrange a date late in January for an initial informal meeting of the parish representatives.
