

Members are requested to:

- NOTE this report and the attached spreadsheet
- RECEIVE a verbal update from Councillor Westwood
- CONSIDER if any additions or increases are required

Summary

The spreadsheet shows the exact figures for 2020-2021, 2021-2022 and the first six months of 2022-2023. We have based the predicted spend on regular payments and known costs made in the second half of the year.

Next Meeting

At the Parish meeting to be held on 11th January, Members will consider and set the Precept for the Parish for 2023-2024.

The attached draft precept will be updated following the Parish meeting, with the addition of any other information provided by Councillors and any other information that may be presented before the meeting
